RESEARCH OPPORTUNITY IN BRAZIL 5-YEAR POST-DOC FELLOWSHIP

The Postgraduate Program in Ecology and Natural Resources (PPGERN) on from Universidade Federal de São Carlos (UFSCar), Brazil, is seeking a young ecologist for a 5-years fellowship, annually renewed, to undertake ecological research in one of the research lines of the PPGERN.

The post-doc fellow is expected to:

- conduct interesting research in tropical ecology, biodiversity, and/or evolution
- teach at least one course/year (60 hours) in Ecology (undergrade or postgraduate programs)
- supervise students (undergraduate and postgraduate).

Fellowship from CAPES Foundation:

Salary: R\$ 4,100.00 (~US\$ 2.000/month), no benefits) + R\$12,000.00 (~US\$ 5,800.00/year) for research costs (equipment & field expenses)

Candidates must send an email to Prof Hugo Sarmiento (hsarmiento@ufscar.br):

- CV
- research project AND teaching plan (up to 10 pages) containing: state of the art of the research topic, research goals, materials and methods, expected results and impacts, timeline plan, teaching plan (participation in graduation and postgraduation courses, co-directorship of master/PhD students).
- one-page motivation letter

Deadline for applications: November/2017

Starting date: December/2017
